

Sharing the Good News About Jesus

Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. **(1 Peter 3:15)**

PRAY:

Pray for your friends, family, neighbors, classmates, and co-workers—that they would know Jesus better than they do today.

LOVE PEOPLE:

Get to know the people in your relational spheres, be a genuine friend, share your life, be curious, show hospitality, and love them well.

TALK ABOUT JESUS:

Be open and vulnerable about your own relationship with Jesus and share how He is working in your life through both your struggles and your joys.

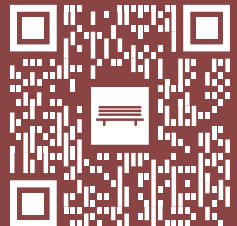

INVITE:

Introduce people to your Christian friends by inviting them to a hangout, party, shared hobby, service project, your Gospel Community (small group), Alpha, or even a Sunday Gathering.

PREPARE:

Listen and learn about the questions your friends have about Jesus, and be prepared to step into opportunities to share more about the hope that Jesus gives to every area of life.
