### MAJOR AREAS OF RESPONSIBILITY

#### Formation

- Support initiatives to equip the church body through the logistical organization, promotion, facilitation, and execution of various classes, cohorts, and events that promote discipleship, equipping, connection, and development of our church body
- Providing ideas, facilitation, and logistical support under the direction of the CFM leadership for Men and Women's Formation Bible Studies, summer studies, and quarterly gatherings

#### Community

- Supporting the connections process by occasionally facilitating and supporting logistics for New Leader Trainings, Community Connect classes, and Gospel Community Leader events
- Occasionally develop resources and guides to help leaders foster rich conversation in our small groups, called Gospel Communities
- Invest in the care and shepherding of individuals and leaders in our church through connections and meetings with church visitors, members, and leaders
